

SIGNATURE DATA COLLECTION SHEET

AI-Based Offline Signature Verification — Academic ML Project

Participant ID: _____

Instructions

- 1. Sign naturally in each box using your usual signature.
- 2. Use your normal signature style; natural variation between samples is useful.
- 3. Do not write your name, roll number, phone number, or other personal information on this sheet.

1.	2.
3.	4.
5.	6.
7.	8.
9.	10.

For academic/research use only • Keep participant identity separate from signature images
